Re: Letter of Recommendation

On behalf of ML Group Design & Development LLC, I would like to recommend Garden Electric, Inc. to you as an extremely trustworthy and reliable contractor. I have had the pleasure of working with Garden Electric, Inc. over the past several years and I have found that both their field and office personnel are easy to work with and are very knowledgeable of their trade. Garden Electric, Inc. takes initiative when challenges are presented and their attention to detail is superior to others in the industry. Garden Electric, Inc. makes every effort to go the “extra mile” for their customer when it comes to understanding the project and making sure that your primary goals are met.

I would like to commend their outstanding performance on the projects we have worked on together – including numerous health and rehabilitation centers and assisted living centers. Garden Electric, Inc. consistently makes efforts to go above and beyond to ensure project success with the coordination and cooperation necessary at every step of the way. They value safety on the jobsites, perform at a high standard, and respond promptly, even coming out after hours and on weekends for emergency work.

I highly recommend Garden Electric, Inc. for any of your future projects and ML Group Design & Development LLC is proud to have them as a business associate.

Sincerely,
ML Group Design & Development LLC
